Teams may continue to fundraise until the end of the Rally Period.

6. Prior to the start of the Rally Period, each Participant must also provide the Shitbox Rally Organisers with reasonable proof that they have obtained and shall maintain during the Rally Period appropriate insurance covering their participation in Shitbox Rally. Appropriate insurance includes, without limitation, compulsory third- party insurance. Participants should talk to their broker concerning third party property insurance (in case Participants damage someone else's vehicle or property with their vehicle) and travel or health insurance that includes ambulance

cover. The Shitbox Rally Organisers reserve the right to decline to allow any Participant who has not obtained appropriate insurance cover to participate in the Shitbox Rally, in the Shitbox Rally Organisers' absolute discretion, whether before or after Entry by that Participant's team.

7. Acceptance of Entries in Shitbox Rally 2023 is at the absolute discretion of the Shitbox Rally Organisers.
8. Each team must consist of two people only (each a "**Participant**") per car.
9. No refunds of the registration fee or Fundraising Amount or the catering and camping costs will be given under any circumstances (including, without limitation: if at any point after a team or a Participant has entered the Shitbox Rally the team or a Participant is unable to participate for any reason; if after the commencement of Shitbox Rally, the team or a Participant is unable to continue in Shitbox Rally; if the team or a Participant is unable to stay at any of the locations [as organized by the Shitbox Rally Organisers] during the Rally Period, or if a Participant is removed from participation because he or she has not obtained appropriate insurance). Registration fees, all Fundraising Amounts and any catering and camping fees are non-transferrable.
10. Each Participant agrees that the Fundraising Amount for their team goes to **Cancer Council** and will be distributed as follows:
 - (a) up to 33% of the initial \$5000 raised will be used to cover organising costs for the Shitbox Rally (including the Fuel Amount). The percentage of the Fundraising Amount for each team which is donated to Cancer Council will increase if the entire Fuel Amount is not claimed.
 - (b) where the Fundraising Amount is greater than \$5,000, at least 72% of the fundraising amount will go to Cancer Council.
11. Payment of registration or Fundraising Amounts may be made via credit or debit card, EFT transfer or cheque. Payment details for registration fees and any Fundraising Amounts will be provided to each Participant following acceptance of their Entry.
12. Prizes will be awarded to some teams at the end of the Shitbox Rally. The teams which receive prizes will be judged on a number of factors including how hopeless their car is, how much the team has gotten into the Shitbox Rally spirit, and the Fundraising Amount raised by that team. The award of prizes is in the absolute discretion of the judges and their decision is final.

Cars

13. Teams must participate in the Shitbox Rally using the car(s) described when entering the Shitbox Rally. 4 wheel drive (4x4), All wheel drive (AWD) and buses are not permitted. The maximum wheelbase of the car is 3020mm and the maximum Kerb Weight is 1,800kgs.
14. Each team may spend up to a maximum of \$1,500 per car purchasing the car and preparing the car for the Shitbox Rally (**Car Budget**). The Car Budget includes any costs in relation to roadworthiness (other than insurance and registration). If a wreck is purchased any costs for modifications and / or improvements are included in the Car Budget. If a team's Participants complete work on the car themselves, associated labour costs are not included in the Car Budget i.e. a Participant cannot pay themselves. Any work on a car which is completed by a mechanic is included in the Car Budget. Costs associated with purchasing safety items deemed as tyres and seatbelts are not included in the Car Budget. If a team exceeds the Car Budget for any car, clause 17 below will apply.
15. Teams may use cars which have been donated to them provided that the value of the car and any costs associated with preparing the car for the Shitbox Rally are within the Car Budget. If a team receives parts for their car which have been donated to them, the value of these parts will be included in that team's Car Budget. A group of judges (who know a thing or two about cars) will inspect each car entered in the Shitbox Rally and determine if its value and any costs associated

with preparing the car for the Shitbox Rally have exceeded the Car Budget. The judges' determination of value and costs is final.

16. If a Participant in a team already owns a shitbox and wants to use it in the rally the Participant will need to demonstrate to the Shitbox Rally Organisers that the car's value and any costs associated with preparing the car for the Shitbox Rally have not exceeded the Car Budget. The rules are very simple. \$1,500 value for each car and any associated improvements.
17. If a team greatly exceeds the Car Budget as determined in the absolute discretion of the Shitbox Rally Director, (i.e. they cheat), the Shitbox Rally Director will make a very public announcement and a penalty will be applied to the team.
18. Each team agrees to have official stickers attached to the bonnet and two front doors of their car(s) during the Rally Period. Teams may not deface, cover-up or otherwise obscure these stickers and shall endeavour to keep them clean and visible at all times. Stickers are non-permanent and easily removable without damaging vehicle finishes. The Shitbox Rally Organisers will not be responsible for claims for damage to vehicle finishes as a result of the application or removal of such stickers. Apart from the requirements set out in this clause 18, teams may otherwise decorate their vehicles as they wish.
19. When a team reaches the Fundraising Amount, and provided that the team has complied with these Terms and Conditions, it qualifies to receive up to \$500 per car for fuel expenses (**Fuel Amount**).
20. If a team elects not to claim the Fuel Amount, this amount will remain as part of the overall Fundraising Amount.
21. To claim the Fuel Amount, each team must complete a refund form and send this to the Cancer Council. Any claimed refund(s) will be transferred into the team's designated account.
22. At the end of the Rally Period, each team must donate the car(s) used in Shitbox Rally to the Shitbox Rally Organisers. All donated cars will form part of an auction to be organized by the Shitbox Rally Organisers and Manheim Pty Ltd ABN 089 074 206. Any proceeds raised from the sale of a team's car(s) will contribute to the overall Fundraising Amount.
23. Participants may bid on their team's car(s) or any other cars in the auction referred to in clause 22 above. If a Participant wants to ensure that they are able to buy their team's car back, they agree to pay \$250 per team in cash on the final day of the rally at the morning briefing. Any proceeds raised from the buy back of a team's car(s) will contribute to the overall Fundraising Amount.

30. If a team: pulls out of the Shitbox Rally before or during the Rally Period; is removed from the Shitbox Rally; breaks down and cannot continue; or generally goes AWOL; the Shitbox Rally Organisers will retain the entire Fundraising Amount (see clause 9 above).
31. Each Participant is responsible for all costs and expenses associated with participating in the Shitbox Rally including but not limited to costs or expenses associated with accommodation, food, repairs to vehicles used, transport, personal expenses and any fuel expenses above the Fuel Amount. Participants acknowledge that the Shitbox Rally Director will coordinate catering in advance for breakfast, lunch and dinner based on the planned route of the Shitbox Rally, and catering costs (approximately \$80 per team member per day) for breakfast, lunch and dinner, unless otherwise notified in writing by the Shitbox Rally Director) are payable in advance of commencement of the Shitbox Rally.
